Re start the heart

On Monday the Year 5 and 6's learnt all about CPR and how they could save a life. Thank you to Mrs Spencer who came in to teach the children and give them this vital life skill. Hopefully they will never have to use it....

Dear Parents/Carers,

Half term at last! The Reception children are very tired at the end of their first term and I think the rest of us are ready for a rest too!

I am pleased to tell you that we had two nominations for the two parent governor vacancies. This means that we do not need to go to a ballot. Your two new parent governors are:

Mrs Claire Westmoreland and Mrs Julia Spencer.

I am very confident that they will be great governors. The Governing Body here is very effective indeed and do a great job in promoting the strategic direction of the school. At the Local Authority Review we had on Tuesday we were able to demonstrate the great progress the school has made since the inspection in March. The inspectors certainly recognised the many positives. As always there are areas to develop further and we are already planning for further improvement. Thank you to those parents who gave up their time to talk to the inspectors.

I hope you all have a lovely half term holiday and that the weather is kind!
Best Wishes
Carole Middleton
