i. Quality of teaching for all					
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review?
A. More access to support in the classroom for vulnerable pupils.	To give highlighted pupils more opportunity for support through additional support staff time.	We currently have no PP pupils attending school. We have decided to use the remaining budget to focus on pupils not making the expected progress and giving them extra support and opportunities.	Regular assessments, checking progress and self-esteem.	Senco	May 2018

B. Improved progress for pupils working below age related expectations in KS2	Offering extra tuition. And training on relevant interventions.	Scrutinising data has highlighted certain individuals who are eligible for PP and working below the age related expectations.	Giving pupils opportunities for extra tuition outside of school. Allowing pupils to access interventions targeted at their highlighted needs. Measuring and monitoring data closely and regularly	Head teacher	May 2018
