FRIDAY 23RD MARCH 2018: EDITION 9

HEADTEACHER NEWS

Dear Parents/Carers,

We have been having a few issues with emails over the last couple of weeks and so you have been getting some information quite late. I apologise for our poor communication and hope that we do better in the future!

We decided to defer Sport Relief activities until after Easter when we can make better use of the field. The field was used for the first time yesterday and there was great excitement; it was good to see the children running freely and enjoying the space. We just need some dry weather and sunshine! We also want to start using the woodland area again when it has recovered from the ravages of winter.

I know that some of you are concerned that there have been different supply teachers fairly regularly this term. Since September we have had to use supply teachers for the first time to cover sickness, training and PPE time for staff. We use a good supply agency and they try to give us the same people each time, most of whom have been good quality. Recently it has not been possible to have the same person and so a number of different teachers have been used. They follow the teacher's planning and are supported by other staff to get to know the routines. However, I know that it is very unsettling for children and it has had an impact on their behaviour. Next term we will do our best to use the same good teachers to reduce any instability.

Mr Yapp, Mr Garland Collins and I have been meeting regularly to plan for the Summer term and beyond. Our priority is to provide stability for the children and staff while, at the same time, continuing with the school improvement priorities. We will let you know when we have some information regarding this.

I may not have chance to write in a newsletter next week so I will take this opportunity to thank you all for your continued support this term and I wish you a Happy Easter!

Carole Middleton
