### **We are looking for someone who:**

- is an excellent teacher who will enhance our team;
- is a positive person who is self motivated and enthusiastic;
- is able to work closely with all teachers and non-teaching staff;
- is a good communicator;
- is a creative practitioner, confident, articulate and passionate about children's learning;
- is able to enthuse and inspire children, colleagues and the community;
- is highly professional and dedicated to the best quality teaching and learning for all the children in the school, and especially those in their class.

### **About our school and the STAR Multi-Academy Trust:**

We are a small, friendly, village primary school in North Yorkshire, serving the village of Saxton and its surrounding area. A school has existed on our site since the mid nineteenth century, but there is a proud tradition of education in Saxton stretching back before that.

The school has recently become an academy joining the STAR Multi Academy Trust. This is a very new trust comprising 2 secondary schools and 8 primary schools within the local area. These schools have a history of working closely together and the future is exciting as the trust is committed to excellence in teaching and learning from preschool to sixth form.

Saxton is also a Church of England school and the links with the church are very strong. The children use the church for collective worship, key church services and productions.

We currently have 72 pupils on roll. We have three classes - Willow Tree with children in Reception, Year 1 and Year 2, Sycamore Tree with children in Years 3 and 4 and Maple Tree with children in Years 5 and 6.

Our children all work hard, have fun and achieve highly. From our school, they transfer to Sherburn High School, Tadcaster Grammar School, and other Secondary and Independent schools in the surrounding area.

### **We can offer you:**

- Wonderfully enthusiastic pupils with outstanding attitude to learning
- A school where everyone is valued and everyone has a voice
- A team committed to school improvement and high standards across the wider curriculum
- A forwards thinking, inspirational educational vision
- The chance to be part of our wider school network – the STAR MAT – at the forefront of school-to-school professional development and opportunities in our area
- A fantastically supportive school community
