OLD TRAFFORD.....

When the children finally made it to Old Trafford after their exciting journey they have had a fantastic day!! They started with a look round the museum before moving onto a stadium tour!! An educational session gave them all the info and facts about Manchester Utd and its players.

After that the super exciting activities took place with children trying on shirts and football boots donated from some famous players, some of which are currently taking part in the current World Cup. Lots of money was spent in the shop to fill your homes with Man Utd merchandise before getting back on the coach for the journey home.

It has been a great experience and a day I'm sure they won't forget in a hurry.

MEANWHILE BACK AT SCHOOL.....

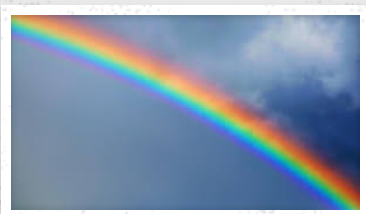

Whilst the Year 2,3 & 4 children have been visiting Manchester and learning all about the footballer lifestyle the rest of school have had a wonderful day together!! All the staff have commented how lovely it has been to see the Yr6's and Year 5 children working with the younger ones and helping each other out both in class and at lunchtime/playtime. Here are a few photographs of the things they have been up to today in particular making posters related to our science topic this half term.
