## School News

Hello everyone,

Welcome back and Happy New Year! The holidays already seem like a distant memory. The children and staff have made a tremendous start to 2019 and are working incredibly hard whilst having lots of fun! We have started the year with a focus on Mindfulness. The staff spent time on their training day learning about mindfulness and the impact it can have on adults and children's mental health and well being. This is an area that was highlighted as a concern during our parents' forum. We also have Compass Buzz (who are running Schools Mental Health and Well-being project across North Yorkshire) visiting school to work with staff too. We hope that all of this training will help each individual child to become more happy and healthy!

Kind Regards,

Mr Garland-Collins, Miss Holgate, Miss Baldwin & Mrs Blades

## Spelling Bee

Hopefully you have found a list of spellings for your child in their bookbag over the weekend. In an effort to make it less onerous, this year we have broken the Spelling Bee into two parts. This first list of spellings will be used in the first Spelling Bee of the year on Tuesday 19th February. Good Luck!
