FRIDAY 15TH FEBRUARY 2019

## SCHOOL NEWS

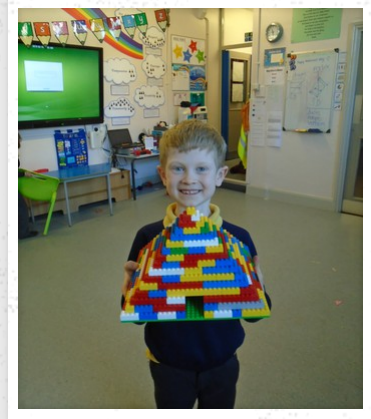

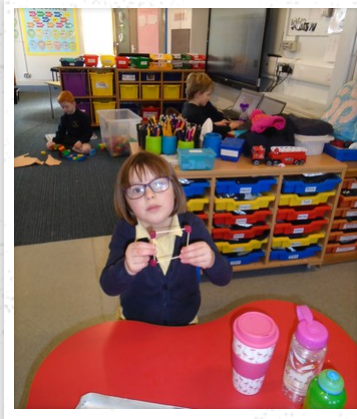

Good afternoon everyone,

Last week we had a focus on handwriting throughout school. We ran a competition to see who could write a school prayer using their neatest handwriting. We had prizes for the best presentation and most improved. The standard was phenomenal and choosing winners was extremely difficult.

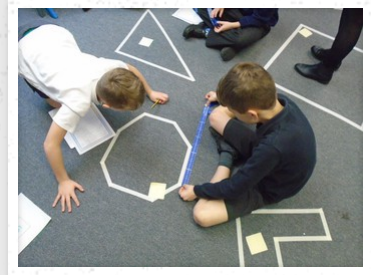

## MATHS WEEK

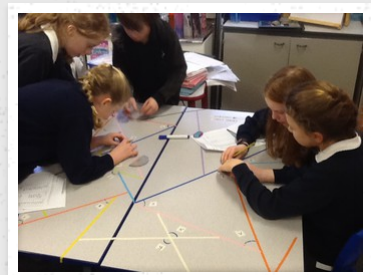

This week we have held a Maths week throughout school with the focus being on shape and space. In Willow they have been doing lots of practical activities exploring 2d and 3d shapes and having lots of fun along the way. Their valentines biscuits and midget gem 3d shapes also went down a treat -quite literally!

In Sycamore we have been working on finding the perimeter and area of 2D shapes. We identified the names of some irregular shapes by looking at their properties. We have created some art work based on Kandisky who creates art using a variety of shapes and sizes and at the end of the week, we used Tangrams to experiment with moving shapes around and we identified what type of angles they had.

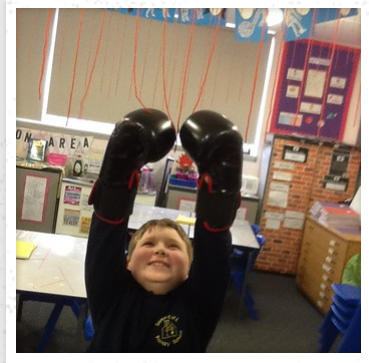

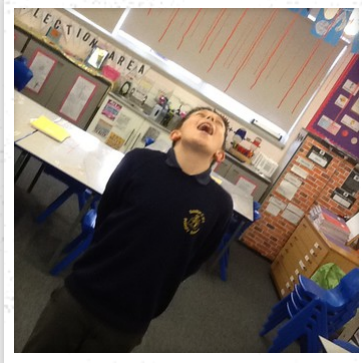

In Maple this week, we have been learning all about angles and how to use a protractor. In class, on each table, Miss Holgate set up different angles for us to measure using a protractor. Later on in the week, we learnt about finding the missing angles around a point and on a straight line.

**SCIENCE WITH STRAWBERRY LACES!**

Maple have also been learning about adaptation in Science lessons. We gave 6 children different adaptations and then conducted an investigation to see who was best adapted to our classroom environment, where the only food supply was strawberry laces dangling from the classroom ceiling! The adaptations included hands tied behind backs, only able to move on knees, boxing gloves on hands and blindfolds. Here are some photographs of our investigation in action! It was great fun and we got to eat the strawberry laces afterwards too!

Have a great weekend.

Mr Garland-Collins, Miss Baldwin, Mrs Blades & Miss Holgate

## TWITTER

Our Twitter account is now officially up and running!! There will be pictures and updates about events happening in school so you don't miss out on anything exciting.

Please follow us @SaxtonCE so you don't miss out on anything happening in school.

The link to our Twitter feed is also now on our website so if you are not yet into Tweeting you can still be kept up to date with the exciting things going on throughout school.

## ROBINWOOD RESIDENTIAL

The information meeting for the Robinwood Residential on the 12th -14th June has been brought forward and will now take place on Friday the 8th of March.
